Homework Packet #3

Due Sept. 27th

1. **Complete Reading Log:** I would like students to read for at least 20 minutes per night. I know that is not always possible, but I would like it to be a goal. It is then required that students read for 20 minutes 4-7 days per week with a minimum of 80 minutes. The best way to become an awesome reader is to READ! Thank you for your help with this goal.
2. **Complete the Math Worksheets**

Please remember to turn in this packet on Friday.
